Issue No. 40

The Chairman Speaks ...

On the eve of this Independence day I extend my warm greetings to all the readers. As citizens of free India we must reflect on the values and principles which were in the minds and hearts of those who fought and scarified for our freedom.

I believe that this newsletter will serve as a window through which the complete profile of the academic and co-curricular activities, achievements and progress of the school can be viewed.

We at Acharya Shree Vijay Vallabh School, are committed to create an atmosphere for nurturing innovation, creativity and excellence in our students. We aim to prepare the young citizens for our nation who will confidently and competently face the challenges of the intensifying competition. We maintain our tradition of 100 % SSC results. Our students were selected by Goethe Institute Germany to attend the Regional Youth Camp at Srilanka and National Youth Camp at Mysore. Our students also excelled at State Drawing Exams, Sports Competitions and Computer Presentations.

The management always strives to provide the best technology for the students to enhance their learning process. Keeping this in view an Language Lab is being introduced in the school shortly, which will be an useful resource of learning for students.

To strengthen the budding techies of tomorrow and give a wide exposure to the digitalization practices, our school hosts the Interschool Compuskills Championship which is appreciated and well responded by well-known schools. To motivate the vibrant participating students and their teachers of the competition, the Cash Prizes have been increased considerably.

I thank the parents for their continuous co-operation and support for bringing the school to a new level of achievements and fame.

Best wishes for the success and bright future, on this auspicious occasion of Independence Day.

Subhash Parmar
Chairman

From the Principal's Desk...

Each issue of our school newsletter is a milestone that marks our growth, unfolds our imaginations, and gives life to our thoughts and aspirations.

This year proves to be another fulfilled, learning year for our students with plenty of opportunities for developing

both inside and outside of the classroom as we continue to work towards making our school an even better one.

The development of the school over the past few years has been significant. The future will build on these firm foundations focusing on the quality of school life, especially for the benefit of our learners. Classrooms have been painted, purified water has been made available for the students, organizing educational visits and participation in various interschool competitions help to develop the personality of the child.

We maintain our tradition of outstanding SSC Results. The selection of students for the Regional and National Youth Camp organized by Goethe Institute has added a feather in our cap.

A committed and supportive management, dedicated teachers, caring and co-operative parents blend harmoniously to create a child-centric school. It is natural to find in this ambience, the intensive use of a variety of thinking activities, strategies and group dynamics so that the classrooms become alive.

Looking forward to a very positive and productive year together!

Madhavi Desai
Principal, Secondary School

From the Principal's Desk...

At Acharya Shree Vijay Vallabh Primary School we provide a challenging educational programme for all students within a safe, nurturing environment, which will enable students to function as productive, ethical and responsible

global citizens.

High standards and expectations for each student in regard to academic performance, co-curricular participation and responsible citizenship are the foundation of our school. It is with pride that we hold these high standards and expect our students to maintain the extraordinary achievements and contribution that has been the legacy of our School.

Our students presented a skit and vowed not to use plastics, thus it is the contribution of our students to our community. Participation of our students in academic and co-curricular programmes can be viewed through this newsletter. Student's willingness to act as a responsible individual within our educational environment is the factor that enables all to have a successful and enjoyable year.

Wish you all a Happy Independence Day and a prosperous year ahead.

Snehal Khatavkar .
Principal, Primary School

You must be the change you want to see in the World.

From the Principal's Desk...

Dear parents,
Pre – Primary education is concerned with continuing the balanced overall development of the individual child through learning experiences in both the school and the community.

During these learning experiences the child should observe positive relationship between parent and teacher. It is through the combined efforts of all, the children be given the maximum opportunities to develop and learn.

Children at this level have endless energy and if channelized positively with ample amount of activities it results in a wholesome personality development. Hence we provide them with variety of activities indoor as well as outdoor. Through picnics and excursions children get opportunities for exploration and experiential learning. We also nurture the importance of culture and national integrity by celebrating various festivals such as Dahihandi, Rakshabandhan, Independence day and Republic day.

Our teachers used a variety of innovative instructional approaches such as workshop to instill a love of learning and build confident students. This approach naturally differentiates learning for all students, to meet the individual needs of each child and to challenge them to do their best.

I wish all the readers a happy Independence Day.

Jacinta Manuel
Principal, Pre Primary School

BALBHAVAN

Balbhavan an Evening Activity Center is conducted in Acharya Shree Vijay Vallabh School premises, for the children between the age group 2.5-9 years. As cities are being converted into concrete jungles, open spaces are getting depleted and thus children are getting addicted to televisions and computers. Taking this into consideration Balbhavan was started in the heart of the city, where different activities such as art, craft, dance, yoga, meditation, exercise, sports, picnic, competitions etc. are conducted for an overall development of each and every child, thus mobilizing their energy in a positive way.

1. Physical exercises.
2. Games.
3. Yoga.
4. Shlok Recitation.
5. Story telling.
6. Rhymes and songs.
7. Sports day.
8. Competition.
9. Outing.
10. Many more activities.

Children engrossed in Pistachio Shell Activity.

Children enjoying cycling.

Children showcasing creativity through free play.

Beading activity is done with enthusiasm.

Institute of Education and Career Development (IECD)

Career is an important aspect of any person's life. It determine the kind of lifestyle one will lead and his/her position in the society. While everyone dreams of a good lifestyle not everyone is able to build a strong career. Hence we at Acharya Shree Vijay Vallabh School through IECD give an opportunity to Parents and Students to fulfill their desires through learning various courses conducted in our school...

This institution meets the present demands of social structure with the sole purpose of providing quality education in all the fields to children and parents. We believe that every individual is a treasure house of talent and are just waiting to be drawn out and moulded.

We at IECD give an opportunity to fulfill their desires through learning various courses conducted in our school.
