The Chairman Speaks ...

Welcome to the second edition of our newsletter of 2018-19.

On the eve of Foundation Day we gratefully remember the Founder

Members of our School who sowed the seeds of education realizing the importance of knowledge in the changing scenario.

School Education is the foundation where the entire life script of person is written. It is the most important ingredient for success and happiness ultimately. Our system of education aims to churn out truly global citizens of tomorrow who are fully equipped with all the basic life skills needed to survive, compete and excel in this ever changing world.

Proficiency in language is perhaps one of the best indicator of one's communicative ability and helps to gain recognition globally. To improve the functional communication skills of the students in English and other languages, we are introducing the Language Lab of Finland technology this year, which will provide fun learning experience for students.

The school also takes care of the all round development of the students. In this context, a visit of all the semifinalists of Interschool Compuskills Competition 2018 has been organised to Persistent Systems (Hinjewadi Campus). Nearly 60 students from 17 schools all over Pune will be participating in this visit being arranged by our Acharya Shree Vijay Vallabh School.

To make teaching more innovative, interesting and lively our Teachers are using the modules designed by Educomp Smart Class regularly. I am proud that with the untiring efforts and hard work of all Principals, Teachers, Parents and my students the School has achieved success in all the spheres.

I am confident that the School will continue to create a landmark in the field of education.

Subhash Parmar
Chairman

When your values are clear to you, making decisions becomes easier.

From the Principal's Desk...

Foundation Day is a day set aside to celebrate our history, revisit and reconnect with the continuing journey of the school. We celebrate that we are

blessed with such beautiful surroundings and wonderful facilities. The Founder's Day of the school is the day when we remember the founders of the school and pay gratitude towards their efforts and ambition in establishing a school for the students in this area out of which the school has grown into this wonderful and exciting centre of education.

We aim to create a school where all children achieve excellence in education with high academic standards, as well as get holistic development. To make our students fit in the global race we are highly concerned with their communication skills and to enhance them the school has now started the Language Lab.

Quality in education is characterized by the objectives of social concern and character formation. Our Annual Theme "Moral Values" this year will support us in the said motto. The institution strives not only to educate the students but also form them to shine in their life and pass on the light to others.

This newsletter is an attempt to compile all the efforts and hard work of students and staff who have strived to achieve this mission of the school in the best possible way.

Wish you all Happy Reading!

Madhavi Desai
Principal, Secondary School

A Teacher

A Teacher is a flame of light who makes our future bright.
A teacher is like a ray, that shows us the right way.
A teacher is a huge sky, which helps us to fly
Just like how flowers give away fragrance that they can't smell,
Teachers makes our life blossom in a way that words can't tell.
The priceless words of teachers I will remember till my last day,
I pray, that wonderful teachers come in everyone's way

Pardeshi Shruti
IX A

Kanchan Bhutada and Janhavi Shinde received Late Shri Pukharajji Nihalchandji Sakhariya Topper in Std IX prize at the hands of Shri Mohanji Sakhariya

Helping Others

From the Principal's Desk...

On this joyous eve of Foundation Day I convey my good wishes and warm greetings to all the readers of our school. We invite you to be the part of the exciting edition of our

Newsletter. This newsletter is a joyful journey of life in our school. It is a medium by which we share:

“Our Challenges and our Vision,
Our Dreams and our Achievements.
Our Happiness and our World with You”.

We feel proud for being a caring community of learners that fosters pride in each student's developing abilities while promoting social development.

Today the role of our school is not only to pursue academic excellence but also to motivate, inspire, empower its students to be lifelong learners, critical thinkers and productive members of an ever changing global society.

We use a variety of innovative instructional approaches such as Sane Guruji Katha Mala sessions, where through moral based stories we instill a love of learning and build confident and competent students. The school provides an amalgam of scholastic and co-scholastic activities like celebrations of various festivals, conduct various workshops for teachers and students, visits like Old Age Home, Market and Fire brigade Station.

We are now looking forward for our most awaited upcoming activities like Annual Social Gathering, Sports Day, Art and Craft, Exhibition and Excursions.

From the Principal's Desk...

Dear Parents,
Foundation Day, it is the day when we remember and express our gratitude to our founders for their wisdom and ambition in establishing this school which has grown into a wonderful and exciting center of education. It is a day to commend the whole team for relentless spirit and commitment to the ideas that are enrooted as a fountain of inspiration for all of us.

At Acharya Shree Vijay Vallabh Pre Primary School, we not only impart knowledge to the students but also inculcate wisdom, compassion and humanitarism. The little rising stars are encouraged to participate in a variety of co – curricular activities from dance, art and drama to sports and academics. We create curiosity amongst the students and strive to experiment and innovate new things on academic and non – academic fronts. We believe that values lie in the base of a person's beginnings to life, therefore, we give our students a set of wings which they carry their values far and wide.

Jacinta Manuel
Principal, Pre Primary School
