The Chairman Speaks...

'Azadi Ka Amrit Mahotsav' is an initiative to celebrate and commemorate 75 years of progressive Independent India. Let us all hold our hands together in celebrating the glorious history of our nation, people, culture and achievements.

Federation of Jain Educational Institutions invited Acharya Shree Vijay Vallabh School, Pune for " FJEI : Schoolpreneurs 2022", a National Conclave at Indore, aiming to bring about a revolution in education, ideally suited to the changing times. It is a proud moment for us as our school is considered among the top 25 FJEI Schools in the country. Having national and international educationists at the conference, gave a platform for Quality Networking and Exchange of Ideas.

As lockdown eases and schools have reopened in full fledge, it's a good time to take stock and let's look at the future of education. Children who start school now in a digital-first world, will demand new skills and new ways of thinking. To succeed in life and at work, they will need all the social, emotional and academic support via rich and flexible learning experiences that will differ vastly from the school days of their parents. In short, three R's of Education – Reading, Writing and Arithmetic – are being joined by a fourth : Rethink. New data-based technologies are opening up ways to transform practices, structures and even cultures.

To keep up with the technical advancement, the school has built a Novel Audio-Visual Lab which will be opened on the auspicious occasion of Independence Day.

Keeping up with the pace, our school ASVVS is continuing with new ventures initiated in pandemic itself. Let it be commencing with 'International Virtual Exchange Programs' or starting with 'Vijay Vallabh Sunday Hour' or encouraging our teachers to be 'PDACertified'.

ASVVS has entered to an agreement with Tata Consultancy Services' goIT Program (go Innovate Together) wherein students are empowered to design and develop innovative digital solutions, enhance skills and inspire a future career in science and technology.

Acharya Shree Vijay Vallabh School successfully completed 10 consecutive years of 'Interschool Compuskills Championship' entering the 11th glorious year in 2022 in association with Computer Society of India, MKCL, TCS, Master Card, Rotary Club and Union Bank of India.

On the occasion of India's 75th Independence Day, let us take a pledge on becoming a seeker of progress and help in the development of the country.

Happy Independence Day. Jai Hind !

Subhash Parmar
Chairman

Indo Philippines Virtual Educational Exchange (IPVEE)

Acharya Shree Vijay Vallabh School, Pune, India believes in the thought, 'Time and Tide wait for none.' Having said so, it has become a necessity to be a step forward to survive and excel in this competitive world.

Chairman, Shri. Subhashji Parmar made sure that the students of ASVVS did a constructive work even during the lockdown period

and Virtual Educational Exchange Programs are the productive outcome.

The school began with its first Virtual Educational Exchange Program by collaborating with a school in Brazil in 2020 and so far the school has completed 5 successful Virtual Educational Exchange Programs with Brazil, Kenya, South Korea, Egypt and Philippines.

The latest collaboration of ASVVS was with Unida Christian Colleges, Philippines. The Philippines team was led by the Principal Jocelyn Dimaala and her able team of teachers. Similarly, from India, the students were guided by the Principal Mrs. Manasi Marulkar and Virtual Exchange Coordinator Mrs. Pragati Joshi and teachers Mrs. Nasreen Khan and Mrs Anjali Gandhi hosted and executed the program.

We are creating a platform of knowledge - exchange, for students and teachers by planning many more Virtual Exchange Programmes.

S.S.C Felicitation Ceremony

Our Mentor, Principal K. S. Panse being felicitated by Shri. Amrutlalji Bafna on the occasion of S.S.C felicitation programme.

Pranav Sanjay Oswal receiving 'Late Shri. Amit Pushparajji Kawediya S.S.C topper 1st Rank Prize' at the hands of Chairman Subhashji Parmar, in the presence of his mother Mrs. Jayshree Oswal and Trustees Pukhrajji Sanghvi and Vijayrajji Ranka.

Om Prashant Bingi receiving 'Late Shri. Kasalchandji Ramaji Mutha S.S.C topper 2nd Rank prize' at the hands of Shri. Sureshji Mutha.

Tanvi Vijay Punmiya receiving 'Late Shri. Sanghavi Lalchandji Jethmalji Agarchandji Bafna S.S.C topper 3rd Rank Prize' at the hands of Shri. Amrutlalji Bafna.

The Principal Speaks...

I congratulate everyone on this 75th Independence Day. Freedom does not come easily. We are all indebted to our national heroes who made this country what it is today. As patriotic citizens, let's put extra effort into performing our civic

responsibilities.

Our diversity should not be seen as a weakness but as our greatest strength. It is only by working together that we can build a resilient and thriving nation.

We, being an educational institute, I would personally want all our students to inculcate a habit which will be a positive lifestyle change. A small lifestyle and habit change can make a huge difference in your life. It might be how many hours you study, when you wake up or when you go to sleep, the books you read, it can be anything. But make sure you are doing something that will be beneficial to you in the future.

At Acharya Shree Vijay Vallabh School, we are dedicated to a student-centered program that promotes academic excellence through an enriched, rigorous inter-disciplinary curriculum. Let us promise each other in setting and reaching attainable goals, working harder and smarter and taking our school and students achievement to the next level of "GREATNESS".

I am extremely proud to share the SSC results of the Academic Year 2021-22. This is the 18th consecutive year of getting 100% result at the SSC exams and definitely this was not possible without the support of the management, teachers and parents.

As the world is recovering from the effects of the pandemic, we at Acharya Shree Vijay Vallabh School are rooted to our year old tradition of celebrating occasions like Yoga Day and Guru Purnima which keep us connected to our Indian Culture.

At closing, I would like to extend my gratitude to our Chairman Shri Subhashji Parmar, the management of the school, my fellow teachers, students and parents without whom this process of teaching and learning wouldn't have been so smooth.

Let us work towards a better tomorrow and a more glorious India.

Happy Independence Day!
Happy Reading!!!

Manasi Marulkar
Principal, Secondary School

TCS goIT (go Innovate Together)

Techno kids of ASVVS become change makers, develop Apps to solve the problems of the Global Society...

TCS goIT program is being conducted

for students at Acharya Shree Vijay Vallabh School in association with Tata Consultancy Services under the guidance of Ms. Preeti Shinde (Program Manager, goIT India, TCS). The students are getting an opportunity to participate in the program which is designed to develop their interest in STEM (Science, Technology, Engineering and Mathematics) and Computer Science.

Tata Consultancy Service's goIT Program is a digital social innovation program that engages students to innovate solutions to social problems that relate to UN SDGS (United Nation Sustainable Development Goals). Students develop wire frame and prototype solution using one of the many tech pathways.

This year, students presented Apps developed by them on social issues like Gender Equality, Waste Management, Employment, Quality Education, No Poverty etc. in front of the mentors from Tata Consultancy Services Ms. Preeti Shinde, Mr. Chinmay Athavale and Ms. Krupa Makhwana.

The participating students namely Omkar Mundada, Aseem Joshi, Tanish Changediya, Jainil Jain, Hitanshi Shah and 50 other students along with the ASVVS TCS goIT Team - Mr. Kalpesh Darji, Mr. Mahesh Raut, Mrs. Etisha Shah, Mrs. Deepali Tare, Ms. Deepjyoti Atre and Mrs. Vimal Pardeshi received Certificates.

The Principal Speaks...

I wish everyone a very Happy 75th Independence Day. Today our mind is fearless and our head is high in the sky. As we breathe freely, each and every breath of us holds a high importance in our heart, as we know that this freedom is enjoyed because of the sacrifices made by our forefathers.

Let us all hold hands together and bow before all the heroes, who fought valiantly to achieve freedom for our beloved motherland.

As we were home-locked due to Covid-19 pandemic for last two years, the only possible way to reach and educate the students was through online education.

Now, we have entered into a new and exciting Academic Year with our regular offline school. As school is a place where you learn, prepare for life and yet grow and develop into smart individuals. Classroom environment is very important for the learning process. It develops creativity and encourages the students to be explorative and innovative.

It is rightly said, 'To collaborate is to achieve, To co-ordinate is to step forward and To associate is to plan a journey of continuation'. Similarly, our goal is to collaborate and co-ordinate with our parents and students, to step ahead and plan creative and knowledgeable journey to excel in academics.

There are good things waiting for you just around the corner. So step out with confidence and take new opportunities in your stride to keep up the brilliant work and keep striving to do your best.

Happy Reading!!!

Students View

Hello Friends,
"A Good Education is a Foundation for a Better Future"
Offline education is a traditional form of learning, as school is our second home, which has its own advantages.

It is after two years that schools are re-opening and we all are excited to get back. The first day in the classroom was unusual and full of emotions for all of us. Returning to school brought all our feelings of happiness and there was also

nervousness to get back into regular school routine.

Learning became more effective in offline classroom through face-to-face interaction with teachers which played an important role in our learning process. It is also giving us a chance to develop our confidence, communication skills, creative abilities and physical development.

I am very happy and excited to come back to school and meet my teachers and friends.

Sparsh Kalyani
Std. - III

The Principal Speaks...

Dear Parents,
Welcome to the Academic Year 2022-23. Our commitment at Acharya Shree Vijay Vallabh Pre - Primary School is to provide a safe and intellectually challenging environment

that will empower students to become innovative thinkers, creative problem solvers and inspired learners prepared to thrive in 21st century of independent India. As Independence allows us to work and act freely, we allow our children to work and act freely knowing the importance of good and bad.

The school's holistic approach towards education continues to be clearly sustained through the various extra curricular activities like games, festival celebrations, picnics and competitions etc which are the integral part of the school programmes.

I strongly believe, that in working together we may be able to provide an excellent education to all our children and all the efforts in positively shaping the life of the future generation next.

Happy Reading !!!
