The Chairman Speaks...

'Nation First, Always First.'

15th August every year is a very auspicious day for Indians who get an opportunity to pay homage to all freedom fighters. So, let us all celebrate the splendid history of our nation, it's glorious culture and outstanding achievements.

I am proud to share our SSC result reaching a grand pinnacle with 19th consecutive year of achieving 100% result with 25 students scoring above 90% and 83 students out of 99 scoring above 75%.

I believe that academic excellence is a continuous process. Our school's acknowledgment by Global School Alliance, UK is an exceptional step towards our global appreciation wherein our school was awarded with the 'Global School Award' for our commitment towards excellence, innovation and collaboration in fostering a nurturing learning environment. This recognition serves as educational excellence, profoundly influences the lives of our students and helps to shape the future of global education.

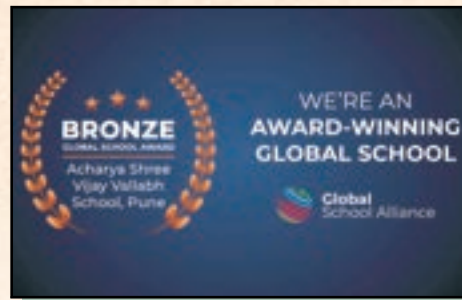

Keeping up with technical advancement, the school has upgraded the Pre-Primary section. Also, we have started the International Virtual Educational Exchange Program with Germany. We have successfully stepped into the 12th year of Interschool Compuskills Championship to help students showcase their technical skills.

Today, on the occasion of India's Independence Day, let us work together towards a better tomorrow and glorious India. I wish all the readers a Happy Independence Day!

Happy Reading!

Subhash Parmar
Chairman

Global School Alliance Awards

ASVVS was awarded with the "Bronze Global School Award" by the Global School Alliance, UK giving our school an international acknowledgment for the outstanding achievement of our students.

Our honorable Chairman Shri. Subhashji Parmar was awarded with the "Global School Alliance Ambassador Certificate" for his commitment and contribution to the Global School Alliance community.

Indo German Virtual Educational Exchange (IGVEE)

ASVVS, under the mentorship of Chairman Shri. Subhashji Parmar had collaborated with a school from Stadtische Gesamtschule Emmerich am Rhein, Germany under Indo German Virtual Educational Exchange (IGVEE) program.

Compuskills 2023

ASVVS gives a platform to students to showcase their technical skills by organizing Inter School Compuskills Championship, with this being the 12th glorious year in association with Computer Society of India, Maharashtra Knowledge Corporation Limited, Tata Class Edge, Rotary Club of Poona Midtown, Union Bank of India, Master Card and Media partner Maharashtra Times.

The Principal Speaks...

"Rise like the sun, shine like the stars!" – that's the spirit of our nation. A happy Independence Day to all our readers.

With every achievement, we collect another remarkable feather in the cap of our aspirations and vision by securing 100% success for the 19th consecutive year in the S.S.C. result of 2022-23. This outstanding milestone was achieved with the hard work of our students, dedication of our teachers and support of our parents and management.

Our teachers enlighten our students to accomplish the highest levels of academic achievement by empowering them to reach their potential. Hence, we conduct an enriching orientation for our teachers to upgrade them with the latest trends of the teaching learning process. We celebrated International Yoga Day to enable students understand the importance of Yoga in their life. Guru Pournima was celebrated with great enthusiasm as there was an oath taken by the Principal and teachers to adopt students of Std.10 and guide them during their most important journey of Std 10. We have also initiated multiple International Virtual Educational Exchange Programs giving a global exposure to our students.

We had a spectacular Installation ceremony of the Interact Club by Rotary Club of Poona Midtown for the year 2023-24. The Investiture Ceremony was held wherein the Student Council was formed and they were entrusted with leadership and responsibilities to keep the school flag flying high.

At ASVVS, there are two things we give our students – one is "Roots" and the other is "Wings". Roots which are the foundation where they imbibe good values and grow to excel, leading to their holistic development with wings that will give them confidence to step into the world, explore new things and achieve excellence in their ambitions. We had a wonderful get together of the Alumni Batch 1994-95 in school recently, wherein they cherished beautiful memories of their childhood at school.

May this Independence Day bring peace, success and prosperity for each one of us. Let's stand strong, stand united and stand proud.

Happy Independence Day.

The Principal Speaks...

Dear parents and well wishers ,

Warm greetings !

"A new month, a new start, a new hope and a new chance- to make all things possible."

Welcome back to yet another exciting academic year 2023-24 with new learning experiences as we look forward to opening new vistas in the domain of education and scaling new heights.

Really, a new beginning, little eyes twinkling and exhilaration fills the air as our little kids make their way to school.

We always strive to uphold a school environment that is collaborative in nature and draws on the strength of all stakeholders .

"A clear vision, backed by definite plans gives a tremendous feeling of confidence and personal power."

Some of the glimpses of our activities like welcoming of students, Guru Pournima celebration, Investiture Ceremony, International Yoga Day, Rainy Day, Emoji Day, etc. are showcased and many more events will be showcased in our next edition.

So, our students always get an opportunity to participate and bloom their talents in many events throughout the year.

"I assure to provide an excellent education and experiential learning for our students.

With a positive energy, team work and dedication to excel, we will surely be successful and reach new heights.

I wish you all a Happy Independence Day.

Happy Learning, Happy Reading!

Parent's View

I, Mrs. Shweta Bafna parent of Naksh Bafna from Std IV.B feel proud to express my gratitude and appreciation towards our school for their unwavering commitment towards the best education of our children. The school conducts various activities and gives an opportunity to explore new things in their academics and co-curricular activities.

The school is worth praising as it helps children in developing themselves and showcase their inner talent to be more confident and creative.

I thank the school once again for guiding our children in the best way possible.

Mrs. Shweta Bafna

Student's View

School life plays a very important role in the life of a student. Our school is one of the "Best Schools" in Pune.

Good teachers and a playful environment in our school makes it the best. All our teachers are enthusiastic affectionate and always motivating towards the students.

Our school is equipped with the best infrastructure comprising of E-learning class rooms, Library, Language Lab, Computer Lab and A.V room. Our school premises is decorated with plants which connects students with nature.

Sai Samal (III B.)

The Coordinator Speaks...

Dear Readers,
Greetings to all!
Wish you all a Happy Independence Day.

I am delighted to extend a warm welcome to everyone and specially the one's who have joined our Pre-Primary family this year.

Pre Primary schooling is a complete different world for the little ones. It's a stepping stone towards the primary education. This is their second home where the child gets the freedom to explore the world outside, by not just focusing on academics but also by learning new things through new ideas, celebrating various festivals, making new friends, learning moral values and ethics and access to experiential learning.

The trends in education keep changing with the changing world, keeping these changes in mind we have come up with fully renewed Playgroup & Nursery classrooms, which are well equipped with furniture and latest smart interactive screen which will help in enhancing their learning process and impart the best knowledge in them.

I assure you in making this education process more fruitful as 'Education is a shared commitment between dedicated teachers, motivated students and enthusiastic parents at large. So come let's enjoy this beautiful journey of our kids together.

Happy Reading !!!
