Issue No. 51

The Chairman Speaks...

Greetings to the readers on the occasion of Republic Day, celebrated on January 26 every year with festivities and patriotic fervor all around the country to remember the day when Constitution of India came into effect.

The future of our country depends upon today's youth. We, at Acharya Shree Vijay Vallabh School always aim at igniting and empowering our students to create an ambience to innovate and excel in every sector, because only those who try their best, taste victory!

I am very proud of the teachers and the students at Acharya Shree Vijay Vallabh School as every year they are taking our school on another pedestal. They keep adding achievements to the progress bowl of the school by their excellent performance in academics and other activities.

I take privilege in stating that after collaborating with several countries for Virtual Exchange Programme, our students have got an opportunity to connect globally and interact with schools from South Korea and Egypt.

This year three of our students from Std. V and VIII secured merit ranks at Maharashtra Government Scholarship Examination.

As we promote beneficial use of technology, we hosted mega event of Interschool Compuskills Championship 2021 providing the platform to the students at national and international level to showcase their technical skills.

To encourage additional skills of creativity and communication, our ongoing project 'Vijay Vallabh Sunday Hour' webinar series helps our students to think critically and apply skillfully.

I would also like to highlight the extravagant effort of our teachers, Mrs. Pragati Joshi for bagging a special prize in the National Tata Class Edge Classroom Championship and Mrs. Deepali Tare for getting selected as a "Prabodhan Doot" for inculcating the values of reading amongst the students.

Through this newsletter, we can experience school's uniqueness and its aspiration which is the snippet of various events, laurels and achievements.

I am confident on seeing our school reach the new pinnacle of success. Let us all together focus to lead from the front and keep our flag soaring high.

Happy Reading!!!

Subhash Parmar
Chairman

Lifetime Achievement Award

'Late Shri. Pravinji Ghevarchandji Mehta Lifetime Achievement Award' was conferred upon Principal Neeta Shah (Ex. Principal Acharya Shree Vijay Vallabh School) at the hands of Adv. S. K. Jain (President, Shikshan Prasarak Mandal).

Team Indo South Korean Egypt Virtual Educational Exchange (ISKEVEE) engrossed in an interactive session.

Scholarship Merit Holders

Aditya Meher (Std. V), Hitanshi Shah (Std. VIII) and Jainil Jain (Std. VIII) secured ranks in Merit List of Maharashtra Government Scholarship Examination.

The Principal Speaks...

Greetings! On this occasion of the Republic day, let us take an oath to enrich and preserve the heritage of our motherland and make it even better. Let us take a moment to show our gratitude to our brave soldiers protecting our

nation and for maintaining peace in our country.

Our staff pursues the contemporary approach and mould themselves accordingly. We at Achrya Shree Vijay Vallabh School are thankful to have a helpful, encouraging and supportive management who offers us opportunities to explore our, as well as our students interests and discover fresh ideas. The cooperative parents, motivating management and dedicated teachers are the reason why I could administer the school successfully in this challenging situation of Covid-19 pandemic and it is evidently seen through the successful Inter School Compuskills Championship which the school hosts every year. This was 10th year and it gives me happiness to share that we secured entries from Lonavala, Mumbai, Gujrat and also from countries like Brazil.

We adopted different digital platforms for the educational, social, physical and emotional well being of our students and staff. It's an outcome of this coordinated efforts that our three students Aditya Meher (Std. V), Jainil Jain (Std. VIII) and Hitanshi Shah (Std. VIII) have brought laurels to the school by bagging a position into the merit list of Maharashtra Government Scholarship Examination. My students are excelling in Drawing and Elocution competitions. Our international projects with Brazil, South Korea, Egypt have become a benchmark in the education field.

It is with the team efforts that we dealt with the pandemic and the lockdown efficiently and utilized it for educating, exploring and outshining.

Wishing all the readers a very Happy Republic Day!

Happy Reading !!!

Manasi Marulkar
Principal Secondary School

Being Republic is the greatest achievement that mankind have ever earned.

The Principal Speaks...

On this Republic day I extend my heartiest greetings and good wishes to you all.

"To motivate the bloomers, to mould the mediocre and to challenge the gifted" is our teaching notion.

We have excelled in every initiative that we undertook and we have stood together in facing the challenges in education. Our aim is to empower our students to become responsible citizens by providing them a road map to opportunity for a better life through developing their potentials.

I believe that our Newsletter will serve as a window through which the complete profile of co-curricular activities and celebrations like Indian Army Day, New Year Celebration, Balika Diwas, Mathematics Day can be viewed. The world today is changing at such an accelerated rate and we as educators need to pause and reflect on this entire system of education.

An institution makes an impact on everything, it touches the minds, thoughts and characters of the students in the fast evolving world. We inspire our students to be the lifelong learners. Our school acts as a catalyst to transfer knowledge and innovations to the world beyond our campus.

I appreciate the efforts put in by our wonderful team of parent fraternity, students, teachers and the continuous support of the management for making this a truly successful year for all of us. In this pursuit of excellence, I appreciate each and every one for supporting the school in every aspect.

Lastly I would like to convey my students, "Never give up, Stay focused, Stay positive and let your light shine."

Happy Reading !!!

Snehal Khatavkar

The Principal Speaks...

"Education is not the learning of facts but the training of the mind to think".

I feel honoured and privileged to be the part of an educational institution where every stake holder is a learner and every day is an opportunity to learn and discover. We look at ourselves as a community of learners, where everyone learns including our teachers, parents and students.

As we all are aware that Pre-Primary education is defined as the initial stage designed primarily to introduce our young learners to the school environment. Through our play-way activity method, we not only make learning a fun process but also induce values that will root up deeply making their base stronger. Creative activities, celebrations, competitions and games are the core of learning various concepts. Thus, we are in the constant process of imbibing different values which will help polishing the developmental areas such as gross, cognitive, linguistic and many more to grow.

Our aim is not only to educate or teach but to be there and support when the child is ready to learn. Our school upholds the great motto of imparting the modern and technology oriented education blended together with the rich Indian culture and ethics. It is highly inevitable for all of us to uphold our rich traditions and cherish our culture, so that each one of us grow up and develop as integrated personalities and becoming true global citizens of our country.

Thus, on the eve of Republic Day let's bring in the energy, passion and determination back to school.

Happy Reading !!!

Jacinta Manuel
Principal Pre-Primary School

Vijay Vallabh Sunday Hour

The foresight and vision of our Chairman Shri. Subhashji Parmar has helped us to develop an intellectual platform under the banner of 'Vijay Vallabh Sunday Hour'. Various topics connected to academics are discussed and elaborated by experts with students, parents and teachers every

week. Every Sunday the entire show goes LIVE on Facebook.

Webinar helps the students to increase the choice of courses and broadens their skills as well as their understanding in their field of interest.

Thus, we at Acharya Shree Vijay Vallabh

School are in continuous process of implementing best of the knowledge through various innovations and upgrading each and every student to develop and enhance their bright future.

Glimpses of Vijay Vallabh Sunday Hour

On 31st October 2021 "Fire and Life Safety Education" webinar was conducted by Mr. Milind Gudade. Sir explained about the safety measures while working in the kitchen using electric gadgets and if accidentally caught in fire.

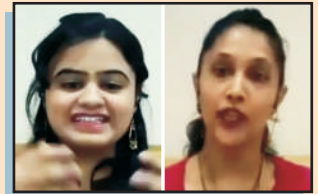

On 12th December 2021 "Creative Art Therapy" webinar was conducted by Mrs. Neha Oswal Bafna (Ex. Student). She explained the different types and techniques used in creative art therapy and also focused on the psychological effects on brain.

On 14th November 2021 "Origami" webinar was conducted by Dr. Mandar Lele. Sir shared the different techniques and method of paper folding and also explained the importance of learning origami.

On 26th December 2021 "Dance" webinar was conducted by Ms. Vama Shah and Mrs. Dhanashree Kering. They explained about different dance forms and their refreshing impacts on one's mind and soul.

On 21st November 2021 "Road Safety Education" webinar was conducted by Mr. Anil Pantoji. Sir focused on life saving skills, importance of signals and safety rules to be followed on road. He also explained about distract walking.

On 2nd January 2022 "Warli Painting" webinar was conducted by Mrs. Snigdha Bhatia. Ma'am shared the information of warli painting and discussed about the skills required to enhance the warli art.

On 28th November 2021 "Volley Ball" webinar was conducted by Mr. Devidas Jadhav. Sir explained in detail about the ground discipline to be followed while playing. He also explained how one can pursue his career by playing volley ball.

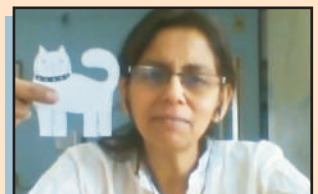

On 9th January 2022 "Super Mom" webinar was conducted by Dr. Archana Rairikar. Ma'am explained in detail about health and nutrition of the family. She also explained the fad diets and how can obesity or fun time eating be controlled.

On 5th December 2021 "Significance of Virtual Exchange Programme" webinar was conducted by Ms. Rosa Drumond (International Speaker from Brazil). Ma'am explained the values and benefits of virtual exchange programme.

On 16th January 2022 "Creative Science Toys" webinar was conducted by Dr. Vidula Mhaiskar. Ma'am explained what are scientific toys and the science behind using it. She focused on different types of toys and how these toys are used as tools in the classroom.

Institute of Education and Career Development (IECD)

Winter Carnival

Fun to blow balloons along with the kids during winter carnival.

Me and Mom Activity

Busy moms decorating their angels using straws.

Kathak Dance

Enhancing the body language and facial expressions through kathak.

On this day, let's promise that we will enrich and preserve our heritage, our ethos and our treasure.
