### The Chairman Speaks...

Warm regards to all the readers on the occasion of Republic Day, the date on which the Constitution of India came into effect. People in every part of India celebrate and rejoice, as on this day India turned into a secular and democratic nation.

"Cultivation of Mind should be the Ultimate Aim of the Human Existence." This saying stands true when I talk about our school, Acharya Shree Vijay Vallabh School, because we always believe in imparting a progressive sense in students wherein, they curiously acquire knowledge in education, curricular activities and sports. Our school undertakes unique and developmental activities which help our students reach new pedestals.

Through the 'International Virtual Educational Exchange Programs', our school provides a global platform to the students where they interact with students from another country and experience their history and culture. This allows them to prosper in all directions. Ms. Naiya Daswani, a 10th grader at Harker School, California, USA along with her family visited ASVVS to interact with the students of our school and know more about the Virtual Exchange Programs.

I am happy to announce the remarkable development in the infrastructure of the school - the installation of Elevators in the premises. I am grateful to Shri. Narendra Motilalji Palesha and family for sponsoring the Elevators to the school.

Sports being a crucial part of student's growth and development, this year, we introduced 'Annual Sports Week' to enhance their mental and physical fitness. The Sports Week began with a Marathon for Pre-Primary, Primary and Secondary students, continued with various sports and games throughout the week followed by the Prize Distribution Ceremony.

'Interschool Compuskills Championship' hosted by ASVVS in association with CSI, MKCL, TCS, Rotary Club of Poona Midtown, Union Bank of India and Mastercard is a platform where schools all over participate and the students get an opportunity to showcase their technical skills and develop team spirit. This year was our 11th consecutive successful year of the Championship.

I am sure that with the continuous efforts of our teachers and support from our parents, Acharya Shree Vijay Vallabh School will bring more glory in the field of Education.

Happy Reading !!!

## The Principal Speaks...

Greetings to everyone on the occasion of Republic Day! Let us always celebrate this day with high spirits and love for our country. We are truly blessed to be born in a country like India which is so full of inspiration for everyone.

Dedication and compassion is the key, my teachers use to make a difference in the life of students studying at Acharya Shree Vijay Vallabh School.

Our students are doing great in different aspects of life. This is only possible because of the efficient hard work that my staff puts in day in and day out.

This year, we have collaborated once again with schools from South Korea and Philippine for the International Virtual Educational Exchange Programs which gives our students global exposure improving their confidence and knowledge.

Our 11th Inter School Compuskills Championship was a huge success. Our school students, Lokesh Khandelwal and Rudra Kalsekar bagged the first position in the Junior Category and Tanishq Solanki and Vaibhav Ranawde secured the third position in the Senior Category. ASVVS got 100% result at the Elementary and Intermediate Drawing Grade Exams.

The students at our school are encouraged to be all-rounders and as a result they are excelling in Academics, Sports, Drawing, Elocution and Scholarship Exams too.

'Annual Sports Week' introduced by our school this year has added to the health, fitness and overall positive development of the students.

Smt. Supriya Inamdar was honoured with 'Lifetime Achievement Award' for her outstanding and exceptional teaching and service towards the school.

Our efficient teachers, Mrs Nasreen Khan, Mrs. Jyoti Sitapure, Mrs. Deepali Tare, Mrs. Pragati Joshi, Mrs. Vimal Pardeshi and Ms. Deepjyoti Atre were invited as guest lecturers and as Subject Expert guide in various schools in Pune. They have brought pride to our school.

"It is not what is poured into the student, but what is planted, that counts." With this thought, I am confident that in the coming years, we will reach more heights and make astounding mark in the field of Education.

Happy Reading!!!

## The Principal Speaks...

Dear Parents, Children and Well Wishers.

On the auspicious and joyful occasion of Republic Day, let the spirit spread across the year and have the

feeling of patriotism infused in each and every day of our life. We are proud of our Freedom Fighters and salute the great martyrs for their contribution towards our country.

The school's Newsletter is a channel of communication to strengthen the tripartite partnership among the school, students and their families which showcases every single event that takes place in our school.

"Self-belief and hard work will always earn you success".

Students of our school are very capable and have excelled in numerous activities over the span of the Academic Year. This year we celebrated Annual Sports Week where Marathon and various sports events were organized for the students. I congratulate all of them who performed marvelously and achieved victory.

My goals for my students are to make them curious learners, be passionate about everything they do, be creative thinkers and achieve success.

"The Future Belongs To The Competent, Get Good, Get Better, Be The Best."

## The Principal Speaks...

Warm greetings to all on the occasion of Republic Day. This day reminds us of all the diversity and the unity of our country.

We, at Acharya Shree Vijay Vallabh School consider every child to be unique, we appreciate a child's individuality and nurture their strength. The aim of Pre-Primary education is all about helping the child realize and explore their potentials and talents.

Future of our world depends on our children. Thus, I strongly feel that education is a blend of academic excellence, creativity and national fervor. Our motto is to encourage our tiny ones to grow strong, reflective and humble individuals with discerning minds, prepare to make a mark in all spheres of life. Thus, we encourage our students for value oriented process which is crucial for schools' all round development helping to boost the social and emotional intelligence of a child which plays a significant role in their growth.

We along with our team are in continuous process to maintain the legacy of the school by building strong relationships with parents, students and community partners.

## Parent's View

Students were given a wonderful opportunity to run and win for marathon

The Annual Sports week was well organised and presented. It was nice to see kids enjoying the spirit of competition in a healthy manner and performing sportingly. School has taken a very good initiative by adding marathon to the others sports activities. The winners were awarded with medals and certificates. All children were excited to win the medals.

I am sure all the students of Acharya

Shree Vijay Vallabh School will be improving their physical fitness and mental wellbeing and also forming social relationships by obtaining very good results in competitions at all levels. Hats off to all the Committee members, Principals, and Teachers for putting all efforts. Looking forward to many more such school events in future as we may be witnessing second Hima Das, Niraj Chopra, Mirabai Chanu and many more.

## Annual Sports Week

Sports play a vital role in student's life for which we have Sports Day every year. Since two years children had got minimal exposure to the ground activities.

To get the students out of their regular routine boredom, our school management came up with an idea of organizing 'Annual Sports Week'. The preparation of Sports Week began two months in advance and a lot of outdoor games were shortlisted. All the games planned were organized

making sure that the students enjoy to the most.

The highlights of the sports week were Marathon and the Cricket matches along with various individual and team events. Students performed a drill and a super energetic dance,

commencing the 'Prize Distribution Ceremony' and the winners were awarded with medals and certificates for their efforts and team spirit at the hands of the Chief Guests.

This event helped our upcoming sportsmen to demonstrate their talents on the field. The students also got an opportunity to learn various qualities like sportsmanship, leadership, teamwork, discipline, agility at the same time to be a winner and to accept defeat sportingly.

## Balbhavan

An evening activity is a great way for kids to take a break from academics and release the pent up energy. It also helps them lead fuller and happier lives as regular sports and fitness activities have proven to provide not only physical benefits but also social and psychological benefits to children.
