The Chairman Speaks...

Warm greetings to all readers on the occasion of Republic Day. May we be blessed with freedom of thought, strength in our convictions and pride in our heritage.

January 22, 2024, is not just a date in the calendar but heralds the advent of a new era. The new Ram Lalla idol was consecrated at the Ayodhya temple on Monday, an event led by Prime Minister Narendra Modi marked a water shed movement for one of the oldest religions in the world, bringing down curtains on a 500-year quest for a Ram Mandir in Ayodhya.

We at Acharya Shree Vijay Vallabh School believe in imparting knowledge which makes the students develop curiosity in education, curricular activities and sports to develop their bright future.

We prepare our students to step confidently into a competitive global world as they participate in International Virtual Educational Exchange Programmes with different countries to understand, learn and experience their history and culture.

Along with academics, sports are also essential for the growth and development of our students. This year also we had our Annual Sports Week which began with the Marathon for Pre-Primary, Primary and Secondary students followed by various sports activities throughout the week. Our students participated with great enthusiasm and true sportsmanship.

The Inter school Compuskill Championship 2023 hosted by Acharya Shree Vijay Vallabh School in association with CSI, MKCL, Rotary Club of Poona Midtown, Tata Class Edge, MasterCard, Union Bank of India and Media Partner Maharashtra Times is a platform where schools from in and around Pune participate and students get an opportunity to showcase their technical skills. This was the 12th consecutive successful year of this championship wherein we witnessed students performing exceptionally to the next level of technology through their innovative presentations.

At ASVVS, we aim to provide a safe, secured and vibrant learning environment, offering a range of opportunities that are structured to promote excellence, confidence and good moral values in every child. I am positive, that with the dedication of our teaching and non teaching staff, cooperation of our parents and with the blessings of the Almighty, our school will continue to prosper in all aspects in the years to come.

Happy Reading!!

The Principal Speaks...

Greetings to our dear readers on the occasion of Republic Day! Let us make a promise to strive for justice, freedom and equal rights for every Indian and for peace and unity among all who are fortunate enough to live in this glorious nation.

Success is the result of perfection, hard work, learning from failure, dedication and persistence." Our students are constantly motivated and guided by our teachers to grow and excel holistically in all aspects, i.e. academics, co-curricular activities, sports, competitions, etc. This has only been possible with the dedication of our teachers.

Our 12th Interschool Compuskill Championship 2023 was a great success. Our students Master Lokesh Khandelwal and Master Kulveer Bahurashi bagged the "first position" in "Junior Category" and Master Dhairya Thakur and Master Krishna Jalla bagged a prize for "Social Message" in "Special Category."

This year we have collaborated once again with schools from South Korea, Germany and Philippines for the International Virtual Educational Exchange Program which gives our students a global exposure by improving their knowledge and confidence.

The Annual Sports Week was conducted wherein students participated in Marathon and other sports activities with great enthusiasm. This helped in ensuring good physical fitness, competitive spirit of sportsmanship and an overall positive development of students.

The Annual Social Gathering was a huge success as our students participated with confidence and zeal by exhibiting their hidden talents on stage.

We encourage our students to participate in various Interschool competitions like Drawing, Sports, Elocution, etc. They have brought our school glory by achieving success in Drawing Grade Exam, Scholarship Exam, Olympiad, Homi Bhabha, etc. Thus, we are creating a learning environment where all students excel as they become skilled, efficient and compassionate global citizens.

At ASVVS, we focus on celebrating the gifts of each and every student by creating limitless opportunities for them to learn, grow, flourish and make them capable of becoming active, responsible and productive members of society. I am confident that in the coming years, we will reach greater heights and make an outstanding mark in the field of education.

"Coming together is a beginning, keeping together is a progress and working together is a success."

You all can witness together how we have achieved remarkable progress and a school year filled with achievement and meaningful experiences. "Education is the key to unlock the golden door of freedom." We always give priority to provide a safe and supportive learning space where students can experience academic success, personal growth, become critical thinkers and explore their creativity. We are committed to create an inclusive environment where every student feels valued, respected and empowered to embrace their unique qualities.

I take this opportunity to congratulate the students who toiled behind the success of various competitions. I wholeheartedly thank our committed and supportive management, dedicated teachers, co-operative parents who blend harmoniously to create a child centric school. Through collaborative efforts we have achieved more to benefit our students who are the future leaders of tomorrow.

Lastly I would like to tell my students, Always remember you are braver than you believe, stronger than you seem and smarter than you think.

Wishing everyone a very Happy Republic Day and prosperous New Year.

The Coordinator Speaks...

With faith in our hearts and independence in our thoughts, let's salute the Nation. Wish you all a Happy Republic Day!

Acharya Shree Vijay Vallabh School is in continuous process in providing high quality education, celebrating the fact that each student is different, as a person and as a learner. We provide an inclusive, caring environment which fosters collaborative learning and positive relationships. We strive to stimulate child's interests and unlock the learning potential in every student by providing an environment that allows children to thrive as individuals while developing community awareness and values.

Here, we look beyond academics since we care for our children. We help them to be inspired, moved, touched and transformed to become good and authentic human beings. We are creating innovative spaces in the outdoor areas to let children be more exposed to the beauty of nature.

There will never ever be a formula for success that is devoid of hard work, commitment and professional ethics. So students, enjoy every moment of your journey, just as we have enjoyed seeing you bloom from young, nervous, self-conscious children into mature, charismatic and dynamic individuals.

I take this opportunity to thank all the parents who have reposed their faith in our school. We assure to do the best for the students, and respect your patronages. Finally, I would like to say "Education is not preparation for life, education is life itself."
