

## Institute of Education and Career Development (IECD)

Enhancing the professional skills in order to advance in one's organization and being an expert in your field is the main aim of the Institute of Education and Career Development. It gives an opportunity to achieve goals and hidden talents to acquire a better future. We conduct career oriented courses for students, parents and youngsters of our society.

Along with regular IECD curriculum, various activities and workshops like drawing and

colouring competitions, fun with Maths, fine motor skills workshop, Ganesh idol making, flower decoration workshop, etc. were organized. The students and parents took part actively and vigorously as they got an opportunity to express themselves and a platform to give new shapes to their ideas and imagination. The workshops were really enriching which gave wings to their creativity and knowledge. The courses conducted are as follows:-

### Following are the courses

- Early Child Care and Education (Pre- Primary Teachers' Training Course)
- Spoken English ● Kathak ● Zumba ● Yoga
- Beauty Parlour (Long & Short Term Course)
- Dance (For Students & Parents)
- Basics of Computer (Students and Parents)
- Drawing ● Handwriting ● Music & Singing
- Abacus ● Taekwondo ● Calligraphy
- Skating ● Gymnastic ● Phonetics
- Home Science

Workshops and many more...

### Early Childcare and Education Course

Future teachers engrossed in Story Telling sessions.

### Phonics

Students being guided to enhance their Language skills.

### Dance

Students dancing to the rhythm, until they get it right.

### Craft your own Eco-Friendly Idol

Students made eco-friendly idols of Lord Ganesha in simple sculpting techniques.

### Fine Motor Skills Workshop

Collaborative intervention of hands on activities of mom and child.

### Colouring Competition

Students bringing in their colourful imagination.

## Balbhavan

Balbhavan is an evening activity center where we provide little ones with essential physical, cognitive and social development. One of the key

benefits of investing in an activity center is that it helps to promote physical development in the child in a fun and interactive way. Children with age

group of 2.5 to 9 years come and enjoy learning as they continue to explore the world with their senses.

Every child should have the opportunity to receive quality education.

### The Chairman Speaks...

stay upgraded and among the top notched schools in Education.

04th October '23 was a day to cherish as we received the "Maharashtra School Merit Award" by Education Today at The Lalit, Mumbai. Acharya Shree Vijay Vallabh School was ranked 8th in Maharashtra and 2nd in Pune among "Top 10 State Board Schools".

Our school was also awarded by "Eldrok India K -12 Awards, Pune" for "Excellence in Offering STEM Education Programs" on 11th October '23 at JW Marriott, Pune.

Virtual Educational Exchange Programme is presently being conducted for our students with South Korea and Germany and soon we will begin with Philippines too. This gives our students an opportunity to interact with students on an international platform.

Our school always prepares students to walk with time and always lead in the field of technology. For this, our school has been organizing Interschool Compuskills Championship since last eleven years using 'Scratch' as a tool, in association with Maharashtra Knowledge Corporation Ltd. (MKCL), Computer Society of India (CSI), Tata Class Edge, Master Card, Rotary Club of Poona Midtown, Union Bank of India (UBI) and media partner Maharashtra Times. This year more than 70 schools have participated from in and around Pune.

In order to have an experiential learning for pre-school kids, we have renovated the Pre-Primary Section with technology equipped classrooms and innovative trends of learning in accordance with National Education Policy (NEP).

Along with academics, our school encourages students to take part in various inter school competitions and sports tournaments to inculcate sportsmanship and leadership qualities along with physical development of the students.

Our school has reached great heights because of the unwavering support of the management, dedicated teaching staff and supportive parents. There are many more laurels to come in future to make our school one of the best educational institutions in Pune.

A very happy Foundation Day to an organisation that has always strived hard towards making a positive difference in the world.

Subhash Parmar  
Chairman

### Excellence Award

## The Coordinator Speaks...

Dear readers,

It has been said and believed since long that for any great work to be done, it is important to have the right foundation. This exactly stands true as we celebrate our school's Foundation Day. It's a day to refresh our commitments to our goals and to each other.

On the eve of Foundation Day, I whole heartedly offer my gratitude towards everyone who has offered their contribution in the school's development and bringing it to its name and fame.

"It takes a big heart to shape the little minds". At ASVVS, the focus is on providing all-round development to each child.

Every child is given a platform that fosters Academic, Social, Emotional and Co-curricular learning. Hence, we create individuals who are aware of their rights and responsibilities and can fruitfully contribute towards the community. This aim is achieved through a well designed programme that balances education along with co-curricular activities as academic qualification alone do not make an individual fully educated.

We not only aim to develop the cognitive, psychological, physical development based learning, but also help children to learn about the environment and verbal communication amongst each other.

Happy Reading!!!

**Bhavika Rathod**  
Coordinator Pre-Primary School

## Independence Day

Students dressed up as soldiers saluting with the patriotic spirit of Independence Day.

## Rakhi Making Competition

## Alumni Meet

The ex-students of Batches 1993, 1994 and 2012 enjoyed and cherished their school memories during a wonderful reunion at school.

## Parent View

Let me first congratulate the entire team of Acharya Shree Vijay Vallabh School for the awards they have received, which is all because of their dedication and hard work.

The school has planned various activities wherein students get an opportunity for their all round development. Various competitions conducted in the school gives a platform to the

students to nurture their various talents like art, craft, music, dance, etc. A unique activity conducted by our school is Virtual Educational Exchange Program. This gives students an opportunity to showcase their talent on an international platform.

Even core values like respect, kindness, social awareness and responsibility, punctuality, sportsmanship, etc. are also inculcated in students by providing a conducive environment through personal attention. I am so proud that my child is a

student of Acharya Shree Vijay Vallabh School.

The school is giving students an enriching growth and development because of the leadership of honorable Chairman Shri. Subhashji Parmar with tremendous support of the management, guidance of Principal Miss. Maria Rodricks and dedicated teaching staff.

**Vibha Chirag Chheda**

Education's purpose is to replace an empty mind with an open one.

## The Principal Speaks...

A dream does not become reality through magic. It takes planning, determination and hardwork.

As always, this year our school has worked hard to fulfil the dream of making an outstanding achievement with 2 prestigious awards; firstly, by being ranked as No. 2 in Pune and No. 8 in Maharashtra among Top 10 State Board Schools by Education Today at the Maharashtra School Merit Awards 2023 and secondly by being awarded for Excellence in offering STEM Education Programs at India K 12 Awards 2023. As a caterpillar transforms into a beautiful butterfly after enriching itself and breaking out from its cocoon, our school acts like a virtual cocoon providing a conducive and enriching environment for our children to grow and evolve into innovative, confident and beautiful new versions of themselves.

We believe that giving students a global exposure develops their confidence and knowledge of diverse cultures. To ensure the same, we have made a successful collaboration through a Virtual Educational Exchange Program with South Korea, Germany and Philippines.

This is the 12th year we are organizing the Inter School Compuskills Championship 2023 and we have received a tremendous response from 70 plus schools across India.

In order to enable students grow and excel holistically, we motivate them to participate in various competitions. Our students have made us proud by winning medals in Tata Building India Essay Competition on the topic "Environment Consciousness". We want our students to also build collaborative skills like teamwork, leadership, sportsmanship, etc. which are equally important as academics. Our students are emerging as outstanding winners in Sports Competitions at various levels.

Excellence is achievable through team work, as it divides the task and multiplies the success; but what is also needed is a visionary leadership which is provided by our honorable Chairman Shri. Subhashji Parmar, constant support of the management, along with the dedicated team of teaching and non-teaching staff and cooperation of our parents.

With Foundation Day, we celebrate the strength and unity of our organization and look forward to many more years of accomplishing great things together. Happy foundation Day to a team that continues to inspire us with its unwavering dedication and commitment to progress. Happy Reading!!

**Maria Rodricks**  
Principal Secondary School

Miss Jayeta Maji (Std. IX), Miss Angel Bhati (Std. IX), Miss Samruddhi Khengare (Std. VI) and Miss Siddhi Bhati (Std. VIII) were the outstanding prize winners of Drawing Competition organised by Alliance Club of Pune and Pune Queen.

## The Principal Speaks...

Season's Greetings!!

Once again welcome to the Second Edition of our Newsletter of A.Y. 2023-24 which is full of innovativeness, achievements and various activities. Education is not the learning of facts, but the training of the mind to think.

Imagination is a spark of creativity which leads to innovation. So, we always give much importance to imaginative and play way methods and empower students to learn beyond textbooks and become lifelong learners thus embarking on the quest for excellence. Education's purpose is to replace an empty mind with an open one.

We always try to initiate the activities that promote safe and healthy lifestyle and contribute effectively to sustain and conserve our environment. This can be easily viewed through our Newsletter and we will continue with the spirit of inculcating ethics and ethos, in the young minds with self-confidence and dedication through our upcoming activities like Annual Social Gathering, Sports Day, Excursion, Art and Craft Exhibition and many more.

I am grateful to all parents for their strong support in assisting us in all our activities and achievements.

Our Foundation Day is a very special day to all, as it reminds us of our shared values and vision and inspires us to continue working towards our goals together as it is rightly said "Team work makes the dream work" "Coming together is a beginning, keeping together is progress, working together is success." Happy Reading!

Snehal Khatavkar  
Principal Primary School
