The Chairman Speaks...

'Nation First, Always First'.

On the outset of Independence Day, with great pride we bring yet another copy of our newsletter, which exhibits the progress and achievements of our school. Today, on the occasion of India's Independence Day, let us take a pledge on becoming a seeker of advancement. From the depth of my heart, I bow to all those individuals who have helped to fulfill the dreams and hopes of millions of

Indians for the growth of our country, peace, and prosperity.

Netaji Subhash Chandra Bose said, "The best way to predict our future is to create it!" We at ASVVS, aspire to surpass different milestones each year. I am proud to share that our SSC result reached a grand pinnacle with 20th consecutive year of getting 100% result and the feather in the cap is 18% of students scored above 90% and 79% of students scored above 75 % and 100% students scored First Class.

With relentless efforts to provide the best learning environment, we have upgraded our Physics, Chemistry and Science laboratories to offer proactive experience that will enrich our student's understanding of various science concepts. A cultural hall has been renovated and updated for sharing innovative pedagogical practices. We have also recently installed upgraded and latest smart interactive screens which will enrich the learning experience, make teaching-learning more engaging and collaborative. We believe that integrating technology with education is important for fostering a dynamic and modern classroom environment.

On this Independence Day, we should promise ourselves to construct and develop our country and preserve its dignity. Let's work together towards a better tomorrow and glorious India.

Happy Independence Day!
Jai Hind!

The Principal Speaks...

Dear Readers,
Independence Day is not just about marking the passage of time but it is about honouring the enduring spirit of liberty and democracy. This day reminds us of the sacrifices made by our leaders who dared to dream for a better future.

I take pride to share that our school has achieved 100% SSC result as per our tradition of 20 years. We not only celebrate the achievements but also recognize the value of hard work, determination and resilience that has guided our students. It's a super proud feeling for me to share that our students - Miss Daksha Nahar (Std. X) bagged the Bronze medal in the Athletics Inter School Cross Country event, Master Aaditya Meher (Std. IX) secured 112th Rank in Pre Secondary Scholarship Exam. I am grateful to my team for their amplifying efforts for the promising development of students. All this can be accomplished only by encouragement of the school management and valuable support of parents.

To strengthen skills, enhance learning and to promote well-being of students, we at ASVVS take initiative to bestow diverse experiences to students by organising various activities like World Environment Day, International Yoga Day, Guru Purnima, Handwriting, Elocution and Debate Competitions etc. These activities and initiatives instill an academic, social as well as personal growth of our students.

Wishing you a joyous and patriotic Independence Day!

The Principal Speaks...

Dear Readers,
 "Freedom is the oxygen for any country and heart beat for its citizens." On the auspicious occasion of Independence Day, I convey my hearty greetings to you all for the eternal fragrance of freedom and sovereignty.

I am thrilled to share the fantastic development and initiative taken to install digital interactive smart screens which enhances students' engagement in learning.

Our commitment to create a positive and inclusive learning environment continues to be our top priority, where Mulyavardhan Program (Value based education) has been introduced for our students to promote a culture of respect and responsibility. Along with this, we hand out batches to our prefects during Investiture Ceremony which imbibes sense of responsibilities and creates an environment where they feel valued and empowered to reach their full potentials.

'Learning without burden, smiling without stress', Bagless Happy Saturday is being introduced where various fun filled activities like Story-telling, Recitation, Drawing, Handwriting, Brainstorming exercises, Outdoor games, etc. These activities brings creativity and diverse skills in our students.

Let's continue to work together where learning thrives and every student succeeds.

Thank you for your continued support and dedication to our school. Wish you all a Happy Independence Day!

Student's View

In our school, environmental awareness is a significant focus. The initiatives and activities conducted here aim to educate and engage students in sustainable practices. Additionally, the school organizes regular clean-up drives and tree-planting events, fostering a sense of responsibility towards our surroundings. The school also promotes energy conservation by reminding us to switch off all electronics equipments when not in use. Overall, our school's commitment to environmental awareness is admirable, making us more conscious of our role in protecting and preserving the environment.

The Coordinator Speaks...

Dear Readers,
Warm Greetings!
"Let us unlock the wonders of learning and unleash the full potentials of our young explorers".

On the eve of Independence Day, let's celebrate the freedom, honour the sacrifices and cherish the progress. Wish you all a Happy Independence Day!

As we move forward on this educational journey together, I want to express my gratitude for the trust you have placed in us to care and nurture our little ones. Thus, to enhance their learning skills, we have digitalized all our classrooms by installing interactive smart screens, which promotes collaboration and helps to boost effective audio visual learning.

"Learning spaces inspire, motivate and nurture young minds".

A safe and welcoming environment is the foundation of successful learning. Thus, we have renovated our classrooms with vibrant infrastructure, where curiosity of every child is fostered. Spacious play area and variety of innovative toys are made available for our preschoolers to make their learning joyful.

At Acharya Shree Vijay Vallabh School, we believe that every child deserves a strong foundation for lifelong learning. Our vision is to inspire a love for learning, promote self-independence and nurture the unique potential of each and every child.

Our dedicated team of teachers are committed to provide guidance and shape the minds of tomorrow with care and affection.

We look forward to a fantastic year of learning, growth and fun with our children.

Wishing you a wonderful year ahead!

Happy Reading!!!
