The Chairman Speaks...

Dear Readers,

It gives me immense pleasure to share my thoughts in this April 2026 edition of ASVVS Newsletter. I am truly delighted to see that our continuous efforts towards the holistic development of our students are yielding positive results.

This year has been remarkable, as we continued in successfully conducting International Virtual Exchange Programmes with South Korea and Sharjah (UAE). Our students had a wonderful opportunity to interact and learn alongside schools from South Korea and Sharjah, gaining valuable global exposure and enriching their educational experience.

Our students have consistently excelled in academics as well as in sports and various co-curricular activities. Their achievements reflect their dedication, hard work and the strong support system provided by the school.

From the management's perspective, I feel a deep sense of pride in witnessing the steady progress of our students. Their growth and accomplishments are paving the way for bringing greater recognition and honour to our school.

The management has taken significant initiatives to enhance our infrastructure. Soon students will benefit from digitalized Library and Art Room facilities. The launch of an evening Sports Club provides our students with a dynamic platform to nurture their physical fitness, teamwork and sportsmanship.

We also extend our reach to the society at large through Institute of Education and Career Development (IECD) — involving all age groups through various activities — and the response has been tremendous.

Moving forward, we remain committed to embracing modern technologies and innovative practices that will further empower our students and prepare them for the future.

Once again, I extend my heartfelt appreciation to all students, teachers and parents for their unwavering support and contribution.

The Principal Speaks...

Dear Readers,

It gives me immense pleasure to reflect upon yet another remarkable and successful academic year of our school. This year has truly been a journey of learning, growth, excellence and achievement in every sphere.

Our students have brought great pride to the school through their outstanding academic performance, excellent results in competitive examinations and commendable success in various activities. Their dedication, discipline and perseverance continue to inspire us all.

Special highlights of this academic year are Virtual Educational Exchange Programmes with South Korea and Sharjah, 14th Compuskills Championship, Sports achievements at various levels, outstanding results of curricular, co-curricular and extracurricular activities which has brought laurels to the school.

These accomplishments are the result of the collective efforts of our dedicated teachers, supportive parents and the constant encouragement and unwavering support of the management. I extend my heartfelt gratitude to each one of them for contributing to this successful year.

This academic year concludes with mixed emotions as we bid farewell to S.S.C. Batch 2025-26 and we are all set to welcome the new batch. Let us continue to uphold the values of excellence, innovation and holistic development, striving for even greater milestones in the coming year.

The Coordinator Speaks...

A year of learning comes to a close but the journey of growth at ASVVS continues. With a deep sense of fulfillment, I would like to reflect on a truly enriching and joyful moments to meaningful milestones.

We believe that a child flourishes most when they feel supported and creating that environment has always been our priority. With the help of digital classrooms, language lab, computer lab, science lab and library students have experienced learning in a dynamic and engaging way through activity-based, experiential and value-based learning inculcated through Mulyavardhan programme.

Every student has added a unique chapter to this year's success story, be it academic breakthroughs, artistic performances or sports achievements, their energy and enthusiasm has been truly commendable.

I truly appreciate the teachers for their dedicated efforts and parents for their kind cooperation. I extend heartfelt gratitude to the Management for their constant support and guidance.

As we conclude this academic year, let us remember that every ending marks a new beginning. We look forward to welcoming you back for another successful and inspiring year ahead.

Happy Vacation !!!

The Coordinator Speaks...

Dear Readers,

As we bid farewell to another academic year, I'm excited to share with you the highlights and updates of our pre-primary school where every day is a new discovery. From their first hesitant step into the classroom to confidently reciting rhymes, identifying colours and making friends—our little learners have grown in the most wonderful

ways.

This year marked a significant shift as we transformed our classrooms into energetic hubs of joy and curiosity. By placing students' growth at the core of every decision, we are witnessing positive outcomes through the up gradation of classrooms, teaching methodology, smart panels and a newly structured Playtopia - play area that encourages safe exploration and physical development.

This session concluded with the Senior KG. Convocation Ceremony, marking an important milestone as they step confidently into the Primary School with strong values, knowledge and happy memories.

To our new families, we welcome you to a nurturing environment where education is active and meaningful. The upcoming academic year will bring in more enriched experiential learning, hands-on activities and a dedicated focus on life skills.

I thank our teachers and parents for being our partners in this exciting journey. I am grateful to the Management for the constant encouragement and cooperation. Together, we are not just teaching, we are implementing the initiatives that will shape the leaders of tomorrow.
