The Chairman Speaks...

"A nation becomes strong when every child is educated and empowered"

As we stand at the threshold of a new academic year and celebrate the spirit of our great nation on the occasion of Independence Day, we are reminded of our responsibility to nurture the builders of tomorrow. At Acharya Shree Vijay Vallabh School, every initiative is aligned with this very vision empowering young minds with values, skills and curiosity that shape an enlightened progressive India.

We proudly inaugurated 'Playtopia', an upgraded and vibrant play area which is rooted in the principles of the National Education Policy (NEP). It is an experiential learning hub designed to support every domain of childhood development.

Along with a strong foundation, I am thrilled to share that our students have once again achieved a 100% success in the SSC Board Examination 2025. This outstanding performance is a testament to the students' dedication, the tireless efforts of our teachers and the support of parents.

With our eyes firmly set on the future, we are excited to announce the progress of our flagship venture, the ASVVS Educational City Project, Sasewadi. This initiative envisions a sustainable learning ecosystem, where future citizens of new India will be fostered. It is a space where knowledge, innovation, culture and values coexist and flourish.

In a tech-driven world, bridging academia with industry, our school has provided the students a platform with a continued strategic joint venture with Siemens Digital Industries Software - Pathways of Learning Engineering (PLE) project.

Empowering educators continues to be the core part of our mission. Our teachers recently participated in the Sankalp Teacher Empowerment Programme held at New Delhi, conducted by the Atma Vallabh Jain Federation of Educational Institutions.

At ASVVS, we ignite curiosity, shape character and sow the seeds of a responsible citizen. As we move forward, let us stay committed to build a society rooted in learning, guided by values and driven by vision.

**Happy Independence Day !

The Principal Speaks...

Dear Readers,
"Rise like the sun shine like the stars!" – that's the spirit of our nation. Happy Independence Day. This day highlights the values like patriotism, unity and responsibility towards the nation's progress.

At ASVVS, we build and nurture pathways for social, emotional, spiritual and technical development empowering students to grow into future ready individuals.

I am proud to share that our school has recorded 100% S.S.C. result for the 21st year in a row. 24 students scored above 90% and 82 students scored above 75% by keeping the glory of the school.

In the digital space, our partnership with Siemens Digital Industries Software for PLE project, offers students a hands-on exposure to technical skills, helping them stay tuned in a fast-changing world. The Compuskills Championship is also helping students gain vital tech skills to navigate with confidence. All these initiatives reflect our school's vision of nurturing well-rounded, value-driven individuals.

The Investiture Ceremony was a proud milestone, as our Student Council was elected through a democratic process and pledged to lead with integrity and accountability. In collaboration with the Rotary Club of Poona Midtown, the installation of Interact Club of ASVVS inculcates a sense of duty towards the society, thus enriching school life.

Setting a tone of peace and spiritual focus, our students chanted the sacred Navkar Mantra on World Navkar Mahamantra Day. On the occasion of Guru Pournima, we adopted our Std. X students symbolically, reaffirming our commitment to guide, mentor and support them on their academic and personal journey. The Goods Distribution Drive for the Warkaris provided students with an opportunity to connect with tradition and serve with humility and devotion.

This newsletter is an attempt to compile all the efforts and hard work of the students and staff who have strived to achieve the mission of the school in the best possible way.
Happy Reading..!

Healing...

You carried pain like a coat
Threadbare, weathered, yet holding close,
Wounds worn in quiet pride,
Proof of battles fought inside.

Time brushes the cracks of yesterday
And love fills the gap in its own
way
Softly, Gently new skin grew,
Layers build from lessons true.

Healing could be tough, a quiet
fight
Not every wound will fade from
sight
But piece by piece, we will rise above
Stitched with hope and filled with love

The Wild Sky Above...

Wild sky above, a dreamy,
drifting art.
Old trees stand tall, a whisper in
the heart.
Ocean's soft sigh, the mountains
capped in white.
Spring's vibrant bloom, forest's calming light.

Desert's stark grace, the
cleansing, gentle rain.
Sunset's bright fire, across the
wide terrain.
This boundless beauty, free for
me to see,
My constant love, eternally.

The Coordinator Speaks...

Dear Readers,

As we celebrate and honour our freedom fighters today, let us be inspired by their courage and remember the immense sacrifices they made for our nation. India is emerging as a New India, an Empowered India, moving steadily toward

becoming a strong, self-reliant and empowered nation.

"True education teaches us how to think, not what to think."

We at ASVVS, our mission is to mould students into curious, confident and self-disciplined citizens. Through a wide range of school activities, students learn to appreciate their society and environment. While academic excellence remains a core focus, we also strive to create a joyful and holistic learning experience through co-curricular activities such as Doctor's Day, Vanmahotsav, Guru Pournima and many more.

The Investiture Ceremony builds leadership skills in students from a young age, which instills a sense of duty, confidence and also nurtures them in becoming responsible citizens of tomorrow. It is not just a ceremony but a platform where our students take on responsibilities, face challenges and grow into individuals who can inspire others.

In addition, our teachers participate in regular enhancement programmes, equipping them to meet the evolving needs of our students more effectively. These professional development sessions ensure that our educators are always at the forefront of innovative teaching methods, so that they can create an engaging and dynamic learning environment.

This newsletter is a reflection of the enthusiasm, dedication and achievements of our school giving a meaningful glimpse into our vibrant world.

Wishing you all a very Happy Independence Day!

Let the spirit of freedom inspire us to strive for excellence in all that we do.

The Coordinator Speaks...

"Freedom is not just a word, it's a responsibility we carry to build a better tomorrow for our children."

As we celebrate the spirit of Independence Day, we also celebrate the spirit of learning, growth and new beginnings. Just as our nation marches

forward with renewed vision and purpose, so does our school by nurturing the young minds who will shape the India of tomorrow.

The academic year began with much excitement, as our little learners stepped into school with wide eyes and curious hearts. Their first day was filled with warmth, joy and a sense of belonging as they explored the newly upgraded, NEP-aligned play area. Designed to enhance physical, social and cognitive growth, this space has become a favourite for experiential learning.

At the core of our Pre-Primary curriculum lies the aim of building a strong foundation in language, numeracy, motor skills and emotional development. We believe that each experience shapes their world—thus, we introduced Sensorium, a multi-sensory week filled with textures, smells, tastes, sounds and sights that enhanced perception and curiosity.

We celebrated special occasions with enthusiasm—Guru Pournima instilled reverence, Ashadhi Ekadashi introduced cultural roots, Father's Day was marked with heart-warming moments of bonding and various competitions encouraged confidence and creativity.

These celebrations are not just events, they are valuable opportunities to build character, values and social understanding in young minds.

Guided by the principles of the National Education Policy, our approach emphasizes holistic development and joyful learning.

Together with your support, we shall continue to nurture confident, kind and capable individuals ready to take their next steps in learning and in life.
