Issue No. 62

The Chairman Speaks...

As we celebrate our Foundation Day, I take immense pride in the years of tradition that have shaped our school into the esteemed institution it is today. This special occasion reminds us of the strong vision and core values on which our school is built—holistic education, imbuing values, character development, innovative projects and excellence in every field.

Our journey of growth continues to stand firmly on the three pillars of success: discipline, academics and co-curricular activities. To strengthen our discipline practices, we were fortunate to host Ms. Yogi Patel, Positive Discipline Association (PDA) trainer from the U.S.A., who conducted an engaging and interactive session on Positive Discipline for our parents and teachers.

ASVVS being the pioneer school, in partnership with Siemens Digital Industries Software for the Pathways of Learning Engineering (PLE) have contributed in developing the STEM based project for the generation to come.

Our Annual Sports Week opened with an energetic marathon and continued with events that built fitness and confidence. Students showed admirable teamwork and dedication.

Our students got an opportunity on the global canvas for a Virtual Educational Exchange Programme that has expanded further this year with the inclusion of Sharjah-UAE and a continuation with South Korea. This unique and enriching opportunity offers students, a glimpse into the education system, culture and traditions.

Our much awaited Inter School Compuskills Championship a landmark event highlights the technological expertise and creative innovation of our young achievers. My best wishes to all the finalists.

On the occasion of Foundation Day, I take this opportunity to acknowledge the remarkable achievements that our school has attained with the collective efforts of the Management, teachers and staff. The vision for our school remains steadfast—to prepare students to pursue professional excellence and to become nation-builders and agents of positive change.
Happy Reading !!!

Subhash Parmar
Chairman

Delegates Meet

Ms. Yogi Patel (Positive Discipline Trainer, U.S.A.) being felicitated by Chairman Shri. Subhashji Parmar, Trust Secretary Shri. Kesarimalji Mutha and Treasurer Shri. Sureshji Parmar during her visit for Positive Discipline Training Session.

Arnav Khode (Std. IV) receiving 'Mrs. Manikben Madanlalji Sanghvi Excellence in Hobby Classes Prize' at the hands of Shri. Sureshji Mutha.

The Principal Speaks...

Dear Readers,
Happy Foundation Day to all.

It gives me great pride to share the highlights of our students' achievements and activities in this edition of our school newsletter. Each month reflects the vibrant spirit, curiosity and values that our students uphold and I am proud to see them grow into thoughtful and responsible young citizens.

One of the significant experience was the Girls4Tech Program arranged by Mastercard. Our students had the opportunity to participate in an engaging and inspiring session that introduced them to the world of technology, cybersecurity and digital innovation. The hands-on activities not only sparked curiosity but also encouraged our young learners, especially our girls, to explore future careers in STEM fields with confidence.

Our Interact Club continued its commendable work by organizing meaningful and socially responsible activities. The Tree Rakshabandhan initiative helped students build a strong emotional connection with nature, emphasizing the message of environmental protection. The club also promoted an eco-friendly celebration of festivals through the "No Firecrackers Diwali" campaign, spreading awareness about pollution-free festivities. Additionally, the Alumni Meet brought together past and present students, creating a platform for sharing experiences, building mentorship and strengthening the school community.

I congratulate all the students, parents and teachers for their enthusiastic participation. May we continue to nurture values of discipline, empathy and innovation among our learners. Together, let us strive for excellence in every endeavor.

Happy Reading !

Honouring the pillars of dedication and learning that guide every learner.

Indo South Korea Virtual Educational Exchange (ISKVEE)

Acharya Shree Vijay Vallabh School, India successfully conducted an enriching Virtual Educational Exchange Programme in collaboration with a partner school in South Korea, aimed at promoting global understanding, cultural awareness and meaningful student interaction. This initiative provided a dynamic platform for students from both countries to connect, communicate and learn from one another in a structured and engaging online environment.

The programme was conducted through a series of interactive virtual sessions using video conferencing tools. Students actively participated in cultural presentations, virtual classroom tours and collaborative activities. During the sessions, students from both schools shared insights about their school routines, traditional festivals, food habits, language, music and national heritage.

One of the key highlights of the programme was the student-led interaction segment, where children shared about each other's lifestyle, hobbies, favourite subjects and dreams. This open exchange fostered confidence, improved communication skills and helped students develop respect for cultural diversity. Teachers from both schools also collaborated to design age-appropriate activities such as art sharing, joint theme-based projects and many more.

The programme not only enhanced students' language and presentation skills but also nurtured values of empathy, friendship and global citizenship. It gave the children a sense of belonging to a larger global community and inspired them to be curious, respectful and open-minded learners.

This Virtual Educational Exchange programme with the South Korean school proved to be a memorable and meaningful experience, strengthening international school partnerships and creating lasting impressions on young minds. It marked a significant step towards fostering cultural harmony and international collaboration in education.

Parent's View

The Indo-Sharjah Virtual Educational Exchange (ISVEE) Programme has been a wonderful learning experience for my child studying in Std. VIII. It provided her with an opportunity to explore a new culture and understand global perspectives in an engaging way. Through the interactive sessions, she gained confidence in expressing herself and communicating her ideas clearly. I noticed a positive change in her personality, especially in the way she participates and speaks.

The activities conducted during the programme encouraged creativity, teamwork and curiosity. It helped her think beyond the classroom and develop important life skills.

I sincerely appreciate the school management of ASVVS for organizing such an enriching initiative. ISVEE has truly broadened her outlook and given her a memorable learning experience.

Kirti Dhumawat

Indo Sharjah Vitrual Educational Exchange (ISVEE)

Acharya Shree Vijay Vallabh School, India successfully organized yet another meaningful and enriching Virtual Educational Exchange programme in collaboration with a partner school in Sharjah, UAE, with the objective of promoting cultural awareness, global learning and student engagement beyond geographical boundaries. This initiative provided a wonderful platform for students to interact, communicate and build friendships with their international peers.

This programme was also conducted through a series of well-structured online sessions using video conferencing platforms. Students from both schools enthusiastically participated in interactive activities such as cultural presentations, virtual campus tours and collaborative classroom discussions. Our students proudly presented aspects of Indian culture, festivals, traditional attire, classical and folk dances and popular Indian stories, while the students from Sharjah showcased Arab culture, Emirati traditions, school life, famous landmarks and basic Arabic greetings.

The Virtual Educational Exchange programme greatly enhanced students' communication skills, digital literacy and global awareness. It encouraged mutual respect, teamwork and an appreciation for cultural diversity. The exposure to international perspectives helped students understand the importance of unity, cooperation and peaceful coexistence in a global community.

This collaboration of ASVVS with the Sharjah school proved to be a highly successful and memorable experience. It strengthened international ties between the institutions and laid the foundation for future global learning opportunities, empowering students to become confident, compassionate and globally-minded individuals.

Facilitator's View

Rosary Private School, Sharjah - UAE proudly celebrates its enriching international collaboration with Acharya Shree Vijay Vallabh School, Pune, India. Through this meaningful partnership, students from both the schools are engaged in a series of interactive sessions, cultural exchanges and creative presentations that highlight their learning, traditions and shared values.

This collaboration is offering a platform for students to express their ideas, appreciate global diversity and build cross-cultural friendships. It is also strengthening communication, teamwork and respect for different perspectives—key traits of global citizenship. This initiative truly reflects both the schools' commitment to preparing students to thrive in an interconnected world.

A big shout out to ASVVS school !

Rakhi Singh (ISVEE Coordinator, Sharjah-UAE)

Positive Discipline Session

An enlightening session on Positive Discipline being conducted by Ms. Yogi Patel (Positive Discipline Trainer, U.S.A.) for the Parents, Teachers and Management. The session focused on effective communication and providing a positive learning environment.

Parent's View

Attending the Positive Discipline training programme organized for the parents by Acharya Shree Vijay Vallabh School was a truly heartwarming and eye-opening experience for me as a parent. The session was conducted by Ms. Yogi Patel, who was invited all the way from U.S.A. only for a training to be given to the Parents and Teachers of our school.

The session was highly interactive, which kept all parents engaged and eager to share. Ma'am beautifully explained how positive discipline can transform the way we connect with our children. Through real-life examples we understood how a constant and conscious positive approach can shape our family bonding and also handle common daily challenges like morning rush hours, homework struggles and tantrums with patience.

The most effective part of the session was an activity through a role-play where we parents acted out various situations with our children. This simple yet powerful exercise made us realize how our words have a deep impact on our children's emotions and self-belief.

I'm truly grateful to the school for organizing this wonderful session. For me the take away from the session was, that discipline is not about controlling and commanding, but about connection, empathy, and guidance.

Mr. Rohit Katta

Annual Medical Check - up

Annual Medical Check-up being conducted for all the students and the panel of doctors guiding them about healthy habits and hygiene.

Magical Tips for a Healthy Smile

Hey kids! I am sure you all love eating chocolates, candies and ice creams. Who doesn't, right? But did you know eating too many sweet treats can hurt your teeth and also can be harmful for your overall health?

Why is dental health important?

- Healthy teeth help us chew our favourite food and thus helps in good digestion.
- A bright smile makes us look and feel great.
- Strong teeth helps us speak clearly and confidently.
- Regular brushing and flossing help maintain fresh breath.
- Lastly, it saves money. Dental treatment can often be expensive.

Tips for a happy smile:

- Brush your teeth twice a day with a fluoridated toothpaste and a soft bristled toothbrush.
 - Floss regularly to remove food particles stuck between your teeth.
 - Always rinse your mouth with warm water after each meal.
 - Eat healthy foods like fruits, vegetables and whole grains.
 - Limit sugary treats. Enjoy them in moderation (one sugary treat every Sunday).
- By prioritizing dental health, you're investing in a brighter smile, fresher breath and a healthier life. A healthy smile is just a brush away- so go ahead, flash those pearly whites and take pride in your radiant grin!

Dr. Anil Rathod
Rathod Dental Care

The Coordinator Speaks...

Happy Foundation Day!

I am delighted to share our activities conducted on the special occasion, as we celebrate our schools Foundation Day in the spirit of learning and character building.

This year has been filled with meaningful activities that have helped our students grow beyond the classroom. Our Raksha Bandhan celebration taught the values of gratitude and respect as students tied rakhis to our support staff. Educational visits to the post office and the bank offered hands-on learning about essential community services. Our students also enjoyed traditional festivities like Bhondla which celebrates good over evil and a thanksgiving ritual to nature for its blessings.

The Diwali Rally promoting an eco-friendly celebration reminded everyone of their responsibility towards the environment. Cooperative games and the Mulyavardhan sessions helped build teamwork, empathy and strong moral values among our children. We also conducted Vachan Purna Din inspiring students to develop a lifelong love for reading.

Each of these activities reflects our commitment to holistic development—nurturing discipline, knowledge, creativity and character. I am proud of our students and grateful to our dedicated teachers who make every initiative meaningful. Let us continue working together to guide our children towards a bright and responsible future.

Happy Reading!!!

Avita Menezes Raj
Coordinator, Primary School

Visit to the Bank

Students learning banking transactions through an educational visit to the Bank.

Visit to the Post Office

Students joyfully posting their handwritten letters, conveying heartfelt messages of thanks to their parents.

Bhondla Celebration

Students celebrating the festival in traditional outfits and keeping the cultural spirit alive.

Rakhi Celebration

Students expressing their gratitude by tying Rakhis to our helping staff, acknowledging their dedicated support and care.

Vachan Purna Din

Students are actively engaged in reading story books to enhance their skills.

Eco-friendly Craft

Students showcasing their creative skills in making attractive show pieces using coconut shells.

Social Awareness Drive

Students enthusiastically participating in a rally, spreading the awareness of celebrating an eco-friendly and cracker free Diwali.

Achievement

Shreksha Mane (Std. II) receiving the Consolation Prize in Interschool Natyachata Competition organized by Hujurpaga School.

Peer Learning

Students sharing their ideas while learning together during a Mulyavardhan session.

ASVVS is proud to announce the launch of its new Sports Club initiative in collaboration with MS Sports Club which is open for all age groups. This partnership marks a significant step towards promoting physical fitness, sportsmanship and holistic development among the students.

The new sports club aims to provide structured training, professional coaching and opportunities for students to explore various sports disciplines—both recreational and competitive.

This initiative aligns with ASVVS's vision of nurturing well-rounded individuals by encouraging qualities such as teamwork, leadership, discipline, perseverance and respect — all of which are deeply rooted in the spirit of sports.

Come join us to Get Fit and Feel Great!

Our beginnings inspire our achievements.

The Coordinator Speaks...

Wish you all a Happy Foundation Day!

Foundation Day is an occasion to reflect on our school's history, values and mission. It's a reminder of the strong foundation laid by our founders, who envisioned a nurturing

environment for young minds to grow and flourish.

Marking this special milestone, our preschool have embraced exciting new upgrades like the digitalized and colourful classrooms and the vibrant play area designed to make learning and play even more enriching. We also imbibe cultural values through the celebration of Parva Paryushan and Saraswati Poojan with great devotion and enthusiasm. Along with play and values we also focus on their physical fitness by conducting a sports week where students showcase their sportsmanship and team spirit.

Each new day is a step towards making learning more joyful and meaningful because every child deserves a space where they can explore, imagine and shine. Thus, other than academics we focus on teaching various developmental life skills by conducting activities like Mud Day, Road Safety Day, Colour Days, Traditional Days, Art and Craft Activities, Children's Day, etc.

As we look to the future, we are committed to containing our tradition of excellence in education. We are dedicated to providing a supportive and stimulating environment that fosters intellectual, social and emotional growth.

Happy Reading!!!
