The Coordinator Speaks...

Dear Readers,
Happy Republic Day!!!

Republic Day reminds us the values of unity, responsibility, respect and freedom that form the foundation of our nation.

At the Pre-Primary level, these values are gently introduced through everyday experiences, helping children grow into confident, caring and responsible individuals.

Learning at ASVVS is a joyful blend of academics, creativity and celebrations. This was beautifully reflected in our Annual Gathering held on a Retro Theme, where our little stars expressed themselves through dance, music and colourful costumes, developing confidence, coordination and teamwork. The same spirit of creativity continued through our Art and Craft Exhibition on the theme Modes of Transport, where children showcased their understanding through hands-on models and artwork, strengthening both concepts and imagination.

In addition, we focus on the holistic development of every child through competitions such as Ad Mad Show, recitation, storytelling, quizzes, as well as celebrations, picnics and fun-filled activities. These experiences promote communication skills, social bonding, curiosity and a love for learning in a stress-free environment. Each activity is thoughtfully planned to ensure age-appropriate learning while nurturing independence and self-confidence.

As we observe Republic Day, let us reaffirm our commitment to guide our students with strong values, joyful learning and meaningful experiences, laying a strong foundation for a bright and responsible future.
