The Coordinator Speaks...

Dear Readers,
Happy Independence Day!

I warmly welcome you all to the new academic year. Every new beginning brings fresh opportunities to learn, grow and shine. Our

preschool is committed to provide a joyful, safe and happy environment.

At our preschool, we inculcate the principles of the National Education Policy (NEP) 2020, through the teachers training programmes. We implement this through stories, music, art, hands-on activities and exploration, children develop essential life skills while enjoying every step of their learning journey.

We believe that active play is an important part of a child's overall development. So we offer Playtopia, our specially designed play area where children strengthen their physical fitness, gross motor skills, coordination and social skills through safe and engaging activities.

Our learning extends beyond the classroom as we take the students for outdoor experiential activities like Tree Plantation. Throughout the year, we celebrate national as well as cultural festivals and special occasions, helping the children understand our rich heritage, respect diversity and develop love for our country.

As we celebrate Independence Day, let us inspire our children to cherish the values of freedom, unity, respect and responsibility. May the Tricolour always inspire our children to dream with courage, learn with dedication and serve our nation with pride.

Happy Reading!
